

PROFILE

 **Kore Construct**

Introduction

Kore Construct is your trusted partner for expert electrical systems, innovative plumbing, and high-quality renovations

Kore Construct is a premier, multi-disciplinary construction services firm based in Germiston Gauteng, South Africa.

We specialize in integrating **electrical systems, plumbing solutions, and renovation expertise** to deliver complete, high-quality projects for both residential and commercial clients.

Founded on the principles of **craftsmanship, reliability, and innovation**, we transform client visions into reality.

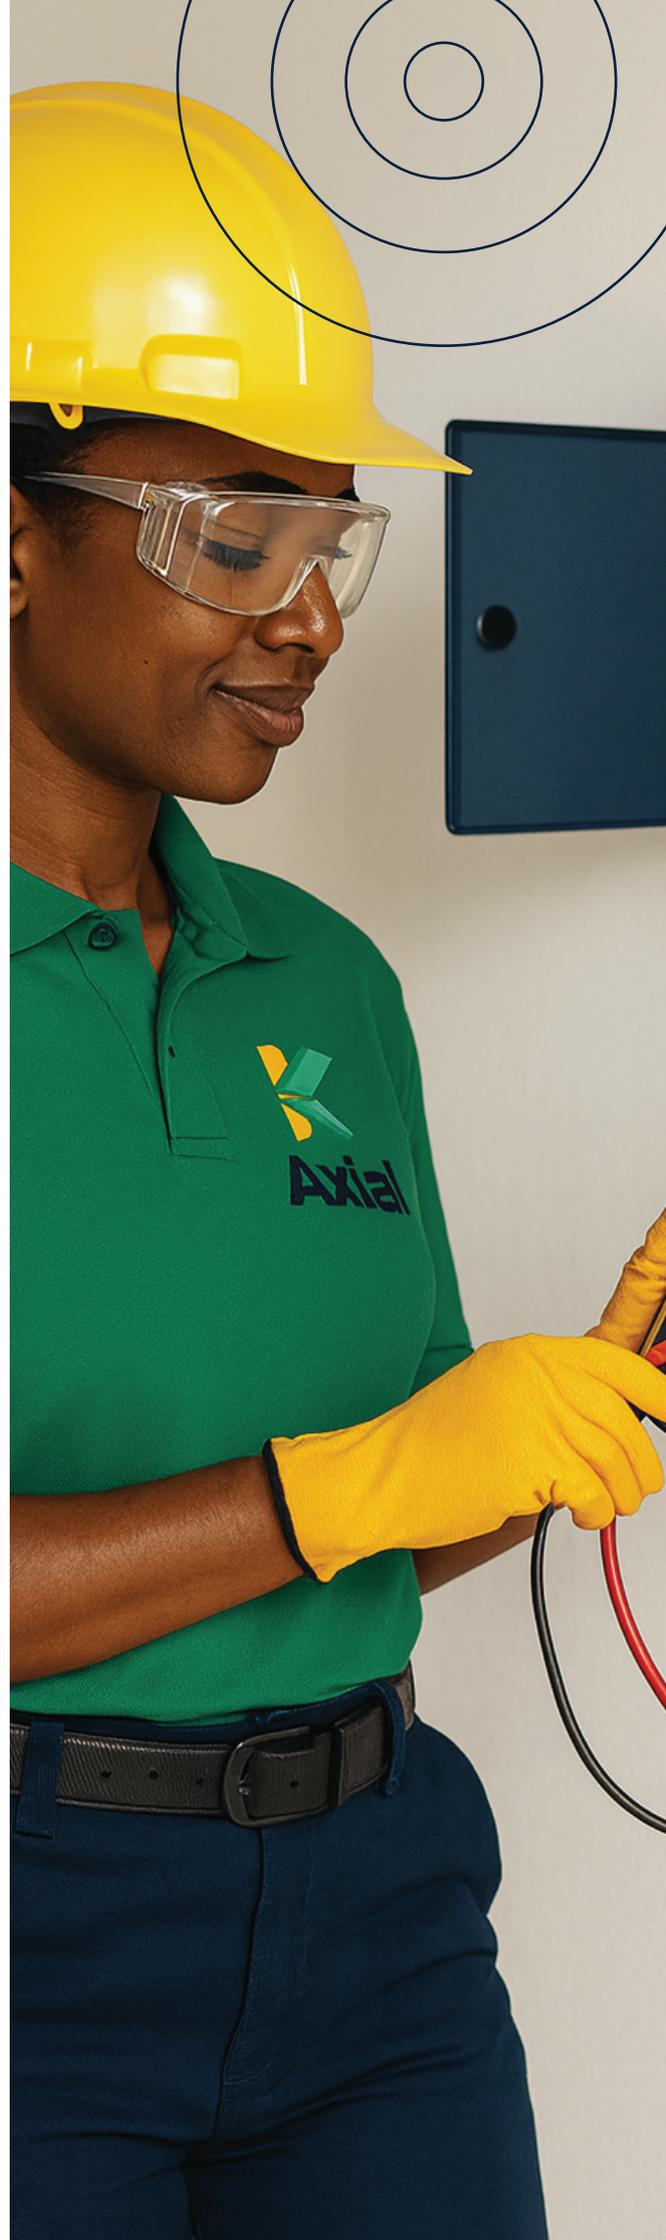

We understand that construction projects are significant investments.

That's why we are committed to providing not just a service, but a seamless partnership—delivering results that are safe, efficient, built to last, and aligned with your exact specifications.

**Building

**Wiring
Precision**

**Flowing
Reliability**

Our Commitment

We fully commit to every project and make it our primary focus. We treat each project as our top priority

We fully commit ourselves to every task at hand, recognizing and embracing the unique challenges and objectives each project presents.

This dedication drives us not only to meet but to exceed expectations, ensuring we deliver exceptional results. We approach every detail with meticulous care and precision, taking the time to understand the intricacies involved in the project.

Choosing Kore means choosing peace of mind. We back our work with a 12-month warranty on labour and use only quality, reputable materials. Our process is designed for your convenience.

01. Consultation

We listen to understand your goals, scope, and budget.

02. Professional Execution

Our skilled team delivers on schedule, maintaining a clean and safe site.

03. Final Review

We walk you through the finished project to ensure your complete satisfaction.

Our Mission, Vision & Core Values

**Achieving Excellence in Wiring,
Ensuring Precision and Reliable
Performance**

■ Mission

To enhance living and working spaces through superior electrical, plumbing, and renovation work, ensuring every project exceeds expectations in safety, quality, and aesthetic appeal.

■ Vision

To be the most trusted name in integrated construction solutions in South Africa, recognized for our unwavering commitment to excellence and client satisfaction.

■ Core Values:

Quality & Craftsmanship: We never cut corners. Our work meets and exceeds industry standards.

Integrity & Trust: We communicate transparently, quote fairly, and honour our commitments.

Safety First: The well-being of our clients, team, and community is our top priority on every site.

Client-Centric Focus: Your vision guides our process. We listen, advise, and deliver on your unique needs.

Innovation: We employ efficient methods and embrace smart solutions for modern living.

Distinctive

What sets Kore Construct apart from the Rest?

Integrated Multi-Trade Expertise

Unlike dealing with separate electricians, plumbers, and builders, Kore Construct provides a single, accountable team for all three core disciplines.

Fixed-Price, Detail-First Quoting

We believe in transparency. Our quotes are fixed-price and meticulously detailed, breaking down costs for materials, labour, and timelines.

Workmanship Warranty

We offer a 12-month labour warranty that ensures any issues from our work will be fixed at no extra cost, giving you peace of mind.

The "Project Hub" Guarantee

You will have a dedicated Project Coordinator as your main contact for updates, schedule management, and questions, keeping you informed.

Modern & Efficient Solutions

We provide more than repairs, including energy-efficient LED lighting, water-saving fixtures, and smart home integrations for a cost-effective space.

Compliance & Certification

We provide the necessary certificates of compliance (COC) as a standard part of project completion, ensuring your property is safe and legally sound.

Long-Term Relationships

We are not a fly-by-night contractor. Based in GP, we are invested in our community and build our business on long-term relationships and reputation.

Investment in Quality & Training

Our technicians undergo continuous skills training, and we use high-quality materials and professional-grade equipment.
